Poly Edge B Series

PLACE A CALL

- Pick up the handset, or press the **Headset** or the **Speaker** button and dial.
- Dial number, and then press the Send soft key

ANSWER A CALL

- Pick up the handset
- Press (Q) for the headset
- Press for the speakerphone
- Press the **Answer** soft key

END A CALL

You can only end active calls. To end an On Hold call, you must resume the call first.

To End an Active Call:

• Replace the handset to hang up

- Press the **Headset** button if using a headset
- Press the Speaker button if using the speakerphone
- Press the End soft key at the bottom of the display.
- Press the Cancel button

HOLD & RESUME

On hold call displays only on the device used to place the call on hold.

- While on an active call press the Hold soft key to place that call on hold.
- Press the Hold button to place all calls that can be held on hold.

To Resume, select the call and:

- Press the Hold button or the Hold soft key again, or
- Press the **Resume** soft key

TRANSFER CALLS

Transfer calls to any extension

Consulted/Warm Transfer

- > Press the **Trnsfer** soft key
- > Enter or select the extension / phone number
- > Press **Send**. **OK** or the **#** button to dial
- Speak to the recipient and then press the Trnsfer soft key again to send the call when ready

Blind Transfer

- > Press the **Blind Transfer** soft key
- > Dial or select the ext/phone number
