

Teams User Help and Training Resources

Teams Users can quickly find helpful instructions and **comprehensive training** resources in their Teams app 24 | 7 | 365.

Click the  **Help** icon in the More **...** menu and quickly find answers and training for Teams Calls features and everything else. And you can even offer feedback and suggestions.

The image shows two screenshots from the Microsoft Teams application. The left screenshot shows the 'More' menu (three dots) in the top right corner, with the 'Help' option highlighted by a green box and a hand cursor. The right screenshot shows the 'Help for Microsoft Teams' page, which includes a search bar and several help topics. A large blue circle highlights the 'Calls & devices' section, with a yellow arrow pointing to it from the left.

And, click this link to find even more MS Teams Documentation and Training right in your favorite web browser:

[Microsoft Teams Help & Learning](#)

You can check here whenever you want to learn something new or get useful instructions for your Teams.

 **Note:** MS Teams features and settings are constantly updated in continuous integrations. Check back frequently for more information as new features, settings, options and processes are launched.
