I am having so much fun with the prototype. Check out this overhead view of my house.

Start a new conversation. Type @ to mention someone.

Sign In

In Windows, click **Start** > **Microsoft Corporation** > **Microsoft Teams**. On Mac, go to the **Applications** folder and click **Microsoft Teams**. On mobile, tap the **Teams** icon. Then sign in with your Office 365 username and password. (If you're using Teams free, sign in with that username and password.)

Pick a Team and Channel

A *team* is a collection of people, conversations, files, and tools—all in one place. A *channel* is a discussion in a team, dedicated to a department, project, or topic. Click **Teams** and select a team. Pick a channel to explore the **Conversations**, **Files**, and other tabs.

Start a Conversation

With the whole team… Click **Teams**, pick a team and channel, write your message, and click **Send**.

With a person or group… Click **New chat**, type the name of the person or group in the **To** field, write your message, and click **Send**.

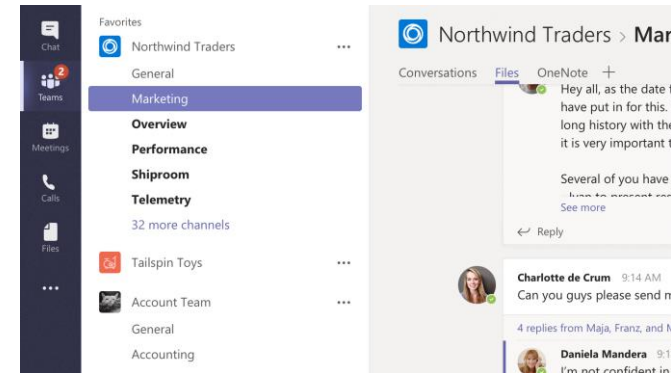

Start a Meeting

Click **Meet now** under the area where you type a message to start a meeting in a channel. (If you click **Reply**, then **Meet now**, the meeting is based on that conversation.) Enter a name for the meeting, then start inviting people.
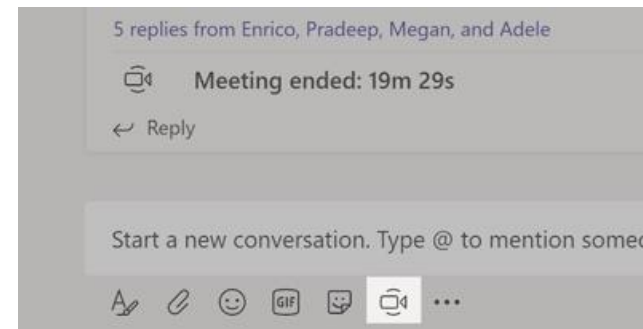

Make Video and Audio Calls

Click **Video call** 📹 or **Audio call** 📞 to call someone from a chat. To dial a number, click **Calls** 📞 on the left and enter a phone number. View your call history and voicemail in the same area.

From the Calls Section ➔

@mention Someone

To get someone's attention, type **@**, then their name (or pick them from the list that appears). Type **@team** to message everyone in a team or **@channel** to notify everyone who favorited that channel.
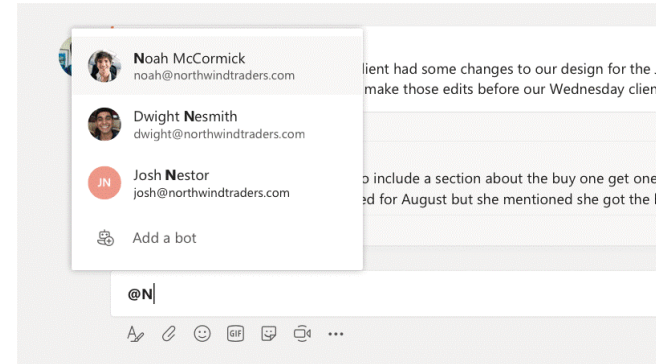

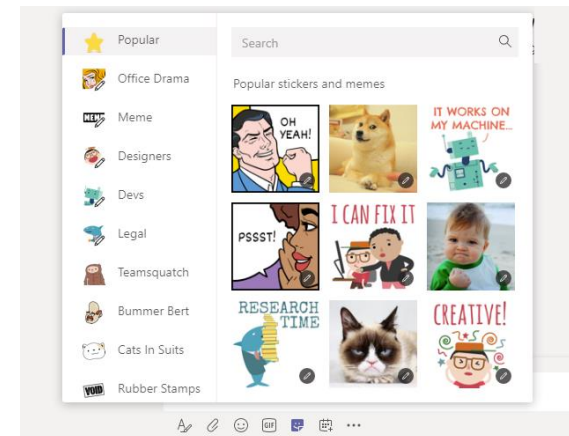

Reply To a Conversation

Channel conversations are organized by date and then threaded. Find the thread you want to reply to, then click **Reply**. Add your thoughts and click **Send** ▷ .
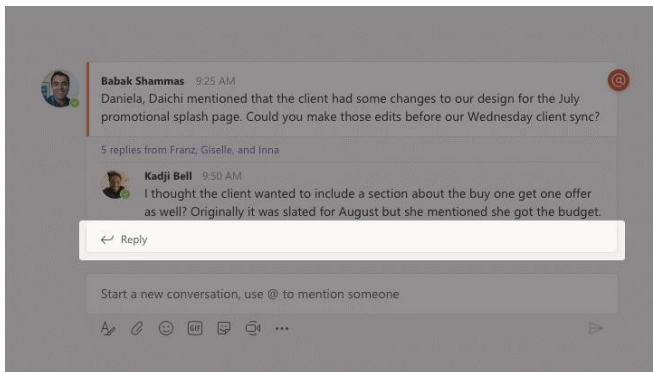

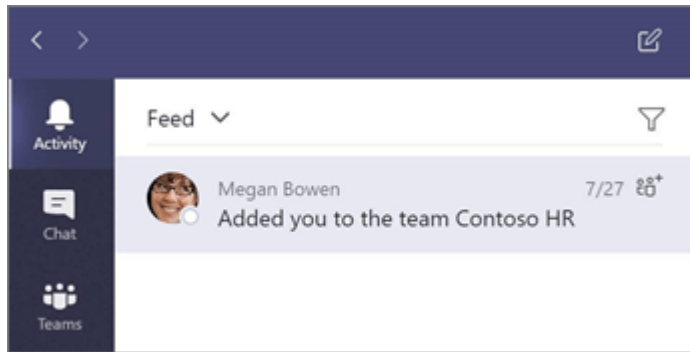

Add an Emoji, Meme, or GIF

Click **Sticker** 🙂 under the box where you type your message, then pick a meme or sticker from one of the categories. There are also buttons for adding an emoji or GIF.
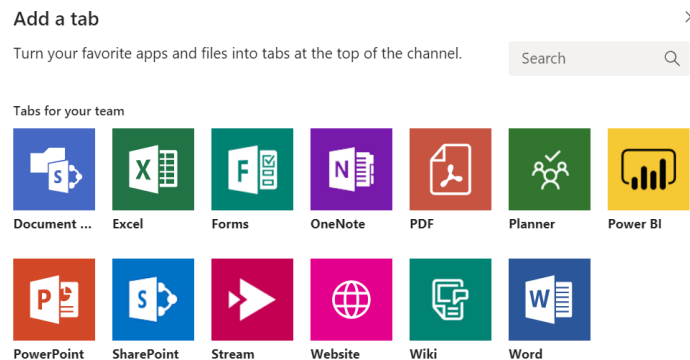

Stay On Top of Things

Click **Activity** 🔔 on the left. The **Feed** shows you all your notifications and everything that's happened lately in the channels you follow.

Add a Tab in a Channel

Click ➕ by the tabs at the top of the channel, click the app you want, and then follow the prompts. Use **Search** if you don't see the app you want.

# Share a File

Click **Attach** 📎 under the box where you type messages, select the file location and then the file you want. Depending on the location of the file, you'll get options for uploading a copy, sharing a link, or other ways to share.

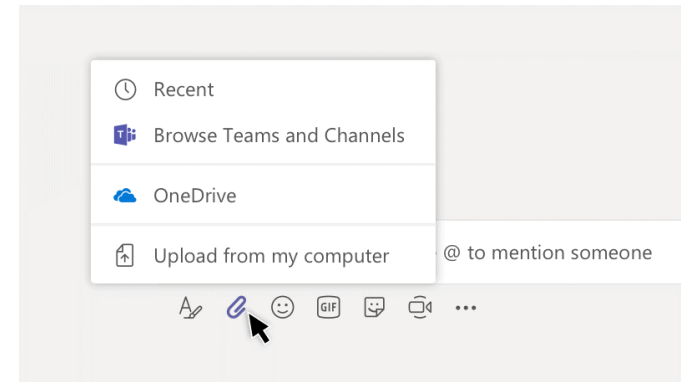

Work with Files

Click **Files** 🗄 on the left to see all files shared across all of your *teams*.
Click **Files** at the top of a channel to see all files shared in that *channel*.
Click **More options ...** next to a file to see what you can do with it.
In a channel, you can instantly turn a file into a tab at the top!
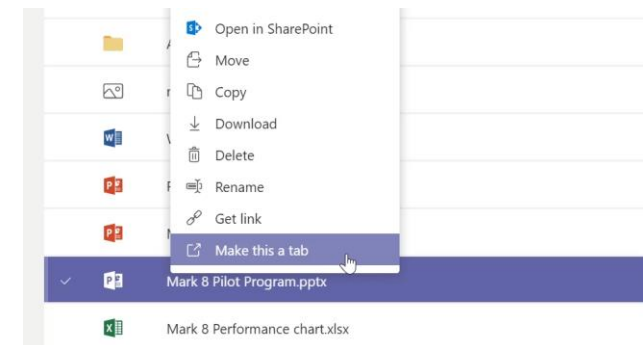

Search for Stuff

Type a phrase in the command box at the top of the app and press Enter. Then select the **Messages**, **People**, or **Files** tab. Select an item or click **Filter** to refine your search results.
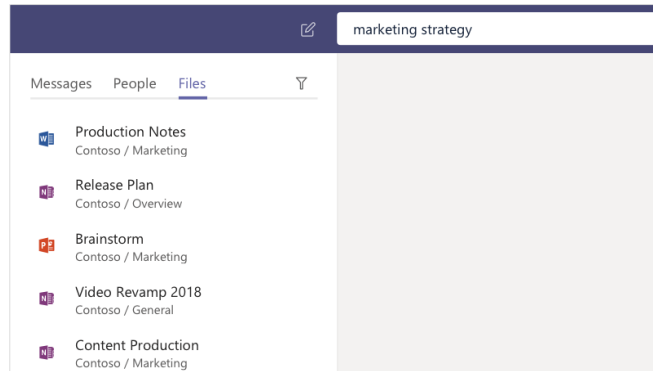

Find Your Personal Apps

Click **More apps** to see your personal apps. You can open or uninstall them here. Add more apps in the **Store**.
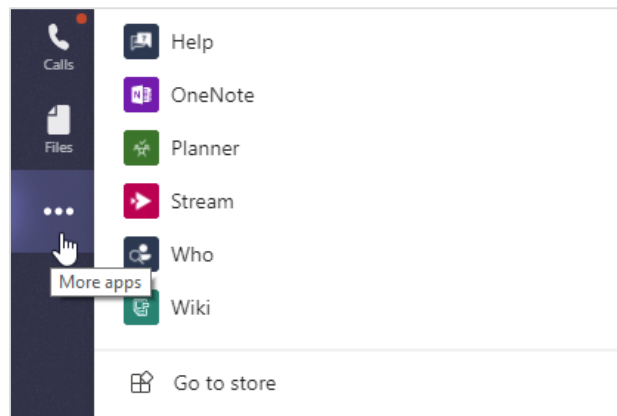

Add Apps

Click **Store** on the left. Here, you can select apps you want to use in Teams, choose the appropriate settings, and **Install**.
